TO WHOM IT MAY CONCERN

Dear Sir/Madam

Blackburn College, rated Outstanding in 2008 and with a University Centre currently operating as the second largest provider of Higher Education in a Further Education college in the country, has been grateful for its association with Trade Winz Ltd and has greatly benefitted from this partnership.

I have the highest regard for the integrity, skills, knowledge and vision of Marilyn Comrie OBE who is a most able Chief Executive. Our partnership with Marilyn has led to a number of exciting business opportunities. Marilyn has always invested time and commitment to our partnership and likewise her associates have always contributed in a highly professional and productive way to our joint agenda.

I have no hesitation in recommending Trade Winz Ltd. Blackburn College very much intends to have a long term relationship with them.

Yours faithfully
